1. We have chosen Louis Lötter as our point of contact regarding any ordering of seeds from this seedlist. Kindly contact him via e-mail louis.lotter4@gmail.com .

2. All orders will be processed on a first come first serve basis via e-mail to Louis Lotter .Please order using Lot #'s provided .

3. We will confirm availability of seeds chosen in an invoice sent to you via e-mail . Anything sold out will be Acknowledge as such on same invoice . This invoice is confirmation that we have received your order and to inform you of the amount that is due by you .

4. Order is secured only upon receipt of payment op such invoice in full. Payment must be made within 14 days after we have sent you an invoice . Please ensure you advise via e-mail if you have not received an invoice within 5 days of sending your order request . Please check your invoice to ensure that you have selected the correct cross . Invoice not paid timeously will be cancelled . South African payment must be made into the bank details provided on the invoice . International Payment will be handled on an individual basis . Details will be on your invoice . Please contact Louis Lotter with any questions .PAYPAL PAYMENT is available . Be sure to use your invoice number as a reference when making any payment .

5. We need your FULL name , CONTACT details (E-mail & Phone) as well as your full postal address for speedy processing .

6. Packaging and postage costs will be added to your order total . We estimate R100 for post net and \$30.00 - \$45.00 for abroad via SA Post .The cost of Phyto Sanitary permits this year will be R1000.00 .If needed we can get it for you and add the price to your invoice .

7. After seeds have been posted they are the buyers responsibility .We are aware of different regulations per country – again we will handle each international order individually with this in mind.

8. Seeds will be dispatched towards the end of July.

9. Please note : We take particular care in our pollination and believe our seeds have fantastic genetic results ; however please know that we cannot guarantee any outcome .

TO VIEW PHOTOS OF A FEW OF THE POD OR POLLEN PARENTS PLEASE GO TO OUR WEBSITE AT www.ngomieclivias.co.za

We are striving for a full list of photos however in all the excitement and pollination of Clivia season we are not quite there .Please ask for any further information about plants .

We have had excellent feedback from previous years orders and are always exited to get any pictures or comments from you .Happy planting and THANK YOU FOR YOUR CONTINUED SUPPORT
